

CARPET CLEANING REELS

FOR 2" VACUUM & SOLUTION HOSE

HOSE REEL

MANUAL OR MOTOR DRIVEN REWIND

Standard Equipment

- Ball bearings both sides
- Heavy-duty construction
- Safety guards
- Powder coat finish

American Reels offers innovative hose reels designed to make carpet cleaning more efficient and easy. Our hose reels are the perfect solution for keeping your carpet cleaning hoses organized and easily accessible during any job.

Constructed from high-quality materials, our hose reels are built to withstand frequent use and are corrosion resistant. Their sturdy frames provide reliable support, even for the heaviest hoses. Plus, their compact size and maneuverability make them easy to transport and set up on any job site.

Our carpet cleaning hose reels come in a range of sizes and configurations to suit any setup. We also offer models with integrated solution reels, which can help streamline your cleaning process and reduce the amount of equipment you need to carry.

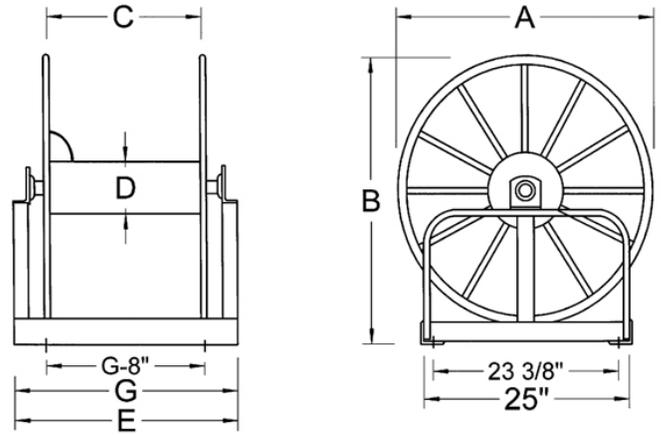

All of our hose reels feature a smooth, easy-to-operate winding mechanism that makes it simple to wind and unwind your hoses quickly and efficiently. You can choose from manual or optional motor rewind, which will make your carpet cleaning process even more organized and streamlined.
