

PAINT SPRAY REELS

1/4" HOSE SPRING OPERATED REWIND

Standard Equipment

- Positive lock & unlock ratchet (non-sparking)
- Roller guides for wall, ceiling or surface mount
- Viton seals
- 3,000 p.s.i. swivel joints

Optional Equipment

- Kal-Rez seals (contact factory)
- 5,000 p.s.i. swivel joints

American Reels' paint spray hose reels are indispensable tools for individuals who frequently use paint sprayers. These reels effectively prevent hose tangling and are specifically tailored to meet the needs of body shops and professional painters. We offer both single hose and twin hose models to cater to your specific requirements.

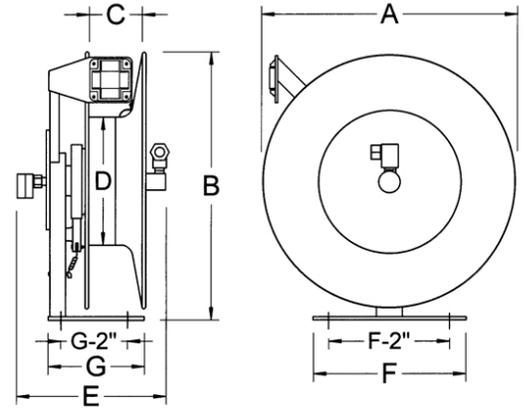

Our paint sprayer hose reels are engineered for durability and designed to accommodate hoses of varying lengths, effortlessly supporting the weight of a sprayer. This ensures your peace of mind and guarantees optimal value for your investment.
